I submit herewith Dewan's Proceedings No 2306-8 of 31/7/83 and connected papers regarding certain Inâm land which it is proposed to take up at Channapatna Station.

I believe that it is contemplated to make this Inâm land into a manso hope. I am anxious to avoid any excrescences of this sort encroaching on Railway and consequently I have satisfied myself by personal inspection that our old boundary gives ample accommodation for our purely Railway requirements

And I should be glad if orders can
